With our signature Salmon Leather inlay and a genuine Vegan Leather backing, our watch straps for Apple Watch are the perfect fashion accessory for a smart and casual lifestyle. Since Genuine Salmon Leather is a natural material and no two salmons are same, each watch strap is unique!

Whether you're at work, travelling, or chilling in a café, you will always be the one to watch!

The Perfect Fashion Accessory

With our signature Salmon Leather inlay and a genuine Vegan Leather backing, our watch straps for Apple Watch are the perfect fashion accessory for smart and casual lifestyle.

Precise Engineering. Secure Fit!

Following our minimalistic danish design mantra of calm color combinations we wanted to remove any additional hardware or lugs connecting with the Apple Watch. Our watch straps are therefore engineered precisely, ensuring a secure, precise and seamless

fit with the Apple Watch.

Genuine Premium Icelandic Salmon Leather

Smooth and refined to the touch, giving a comfortable and unique tactile feel with a distinguishing appearance. Our beautiful Icelandic Salmon Leather is sustainable, socially responsible and produced environmentally friendly.

Stainless Steel Buckle

Njorð watch straps features a custom made stainless steel buckle, crafted with precise engineering to provide a secure fit.
