

AXIS T94U01D Pendant Kit

Made in marine-grade stainless steel

AXIS T94U01D Pendant Kit is specially designed using marine-grade, electropolished and coated stainless steel (SS 316L) material. The pendant mount is best suited for indoor environments and offers impact-resistant capabilities. The mount provides high corrosion resistance against salt water and chemicals and it is ideal for stainless steel fixed dome cameras.

- > Marine-grade stainless steel (SS 316L)
- > High corrosion resistance against salt water and chemicals
- > Indoor pendant mounting
- > Suitable for stainless steel fixed domes cameras
