Product	BTI Notebook Battery
Description	Primary Notebook Battery
Manufacturer Part Number	PA-CF30
EAN-Code	5055146569381
OEM Part Number	CF-VZSU46, CF-VZSU46U

Battery Technology, Inc. (BTI) is a global supplier of replacement batteries and AC power adapters for notebook computers. Using the highest quality grade A cells from Japan and Korea in the battery manufacturing, and with production facilities operating to the most stringent quality standards in California, Hong Kong and China, BTI offers the highest quality products, broadest portfolio and most competitive pricing to their Worldwide customer base. Combined with a centralised European warehouse in Ireland, and working with Origin Storage as our Master distribution partner across Europe, BTI maintains an unparalleled level of product availability and support for our European customers.

Type	Li-Ion
Voltage	10.8V V
Milliampere	7800mAh mAh
Cells	9
Warranty	BTI provides a limited warranty to the original owner of BTI's product against defect in materials and workmanship from the date of original purchase from a registered reseller or end-customer for a period of 18 months - The capacity of all rechargeable batteries will decline over time depending on the use and charging/discharging process. This is considered normal and therefore, a reduction in battery capacity is not covered under warranty. The battery is only warranted from defects in material or workmanship resulting in failures. Reduced runtime is not warranted and will vary depending on the power management settings and configurations that are set on the mobile device as well as the number of times the battery has been charged and discharged. Please be advised that rechargeable batteries are considered 'consumable products' and warranty coverage is limited to a battery not being able to receive and hold a charge.
Hardware Compatibility	ToughBook 30 series; ToughBook CF-30
